#### DECLARATION OF MILTON K. KAOPUA

#### I, MILTON K. KAOPUA, do hereby declare:

- 1. On August 15, 2002 Robert Abad again harassed me, and this time also my wife, in the parking lot of Tamura's Supermarket in Waianae, near where we both live. This was the second time. The first time was in October 2001 when he threatened my life. I filed a police complaint for this August 15, 2002 violation of this Court's December 13, 2001, Order Granting Petition for Injunction Against Harassment in Civil No. 1SS01-1394, which is still in effect. See attached.
- 2. I was notified by the Honolulu Prosecutor that my August 15, 2002 case had been accepted and we were scheduled to go to court. After several continuances the matter finally came on for hearing in the Waianae Division on March 28, 2003. I was not represented by counsel. As I understand it, Defendant Abad acknowledged his actions from August 15, 2002 against me and my wife and was allowed to plead "no contest." The Judge order him not to commit another violation within 6 months, as he was now on probation. Mr. Abad was again ordered to stay away from me at work, just as he was during the prior court appearances. See attached.
- 3. It is my belief and understanding that Defendant Abad was also directed by our employer, Federal Fire Department Assistant Fire Chief, Glenn T. DeLaura to stay away from me

and my Fire Station. See attached. Mr. Abad was told not to go there and to not even call my station house.

- 4. Nonetheless on May 29, 2003 Defendant Abad entered my Fire Station at Lualualei while I was on duty there. I told this violation to Base Security, to my Area Chief, and to the Honolulu Police Department in Report No. 03-208-459. See attached.
- 5. On June 27, 2003 I was advised that the May 29, 2003 matter was under consideration by the Honolulu Department of the Prosecuting Attorney. On September 27, 2003, I was informed in writing by Deputy Prosecuting Attorney Laura Ackermann that this May 29, 2003 matter "has been accepted for prosecution. The charge of Contempt of Court will be filed against Robert Abad." To my knowledge no penal summons has been served to date. The matter is still "pending." See attached.
- 6. In sworn testimony to a Federal investigator on July 15, 2003 Federal Fire Chief Michael Jones stated with respect to the May 29, 2003 incident, "I just heard about this and we will be taking disciplinary action."
- 7. The next day, July 16, 2003, Assistant Chief Glenn DeLaura also testified to the same Federal investigator ". . . I was told he (Kaopua) wanted some assurance that he and Abad would never meet up while they were on duty. I told Hazel [Hazel Wong, Fire Department Labor Advisor from Navy HRO] that I could agree to this. I had a meeting with both Captains (separately)... I also told them that they were not to go to each other's stations on or off duty. I then met with all the other Captains (because I have off days, when someone acts for me) and told them that at no time were Kaopua and Abad to be in the same place at the same time. ... I've investigated this [May 29, 2003] matter and I've proposed disciplinary action against Captain Abad for failing to follow instructions."
- 8. I believe Mr. Abad's May 29, 2003 action violates the December 13, 2001 injunction, violates the terms of his March 28, 2003 six month's probation imposed by this Court, and violates the direct orders from his Federal Fire Department Assistant Chief Glenn DeLaura.
- 9. I remain afraid of Robert Abad who threatened to kill me. I know he has possessed a firearm, because he turned one into HPD the last time. Does he have others? After the first incident, the rear window of my vehicle was shot out while in my home parking space. I do not know who did it.
- 10. As a result of Mr. Abad's first threat against my life, the U.S. Department of Labor has ordered the Fire Department to pay my medical expenses and to pay my lost wages during the several months I was off work an under medical care. I then returned to work, expecting to be kept separate from Mr. Abad. As a result of these more recent and subsequent actions by Mr. Abad against me, I remain under psychiatric and psychological medical care which is also being paid for by the Federal Fire Department. I am still afraid of him and what he might do.

11. Because Mr. Abad continues to harass me both at work and away from work, I asked that the original Order in Civil No. 1SS01-1394 which is effective for 2 years terminating on December 13, 2003, unless modified by appropriate order of this Court, be extended for another 3 years, through December 13, 2006.

I declare under penalty of perjury under the laws of the United States of America and of the State of Hawaii that facts and circumstances stated in the foregoing are true and correct.

Executed on November 21, 2003, at Honolulu, Hawaii.

### Transcript of Judge's Ruling

Judge Chang: In this case Defendant Robert Abad is charged in Information filed on July 15, 2002 with the offense of Terroristic Threatening in the Second Degree in violation of Hawaii Revised Statute §707-17 and Title 18 United States Code, Section 13. After considering all of the evidence and weighing the credibility of the witnesses, the Court finds that the United States has failed to establish the essential elements of the offense charged beyond a reasonable doubt. Specifically the United States has failed to prove beyond a reasonable doubt that on October 10, 2001 at Naval Magazine Lualualei, in the District of Hawaii, the Defendant threatened by word or conduct, to cause bodily injury to Milton Kaopua with the intent to terrorize or in reckless disregard of the risk of terrorizing Milton Kaopua. The Defendant said "I think I'm just going to have to shoot him" referring to Milton Kaopua. The statement or threat was directed at Kaopua. However the circumstances surrounding the threat, were not so unambiguous, unconditional, immediate and specific as to convey a gravity of purpose

and imminent prospect of execution. In fact Officer Hallberg testified that he waited

3 days to advise Kaopua of an unspecified threat. Details of the threat were not

revealed to Kaopua until October 23. Considering the totality of these circumstances,

the Defendant's statement or threat was not a true threat within the definition referred

to in State v. Chung, 75 Haw 398, 862 P2d, 1063, a 1993 case. It does appear to the

Court that the statement was made out of frustration or transitory anger arising out

of damage to a lock or access to an ice maker. It also appears to the Court, Mr.

Abad, that the threat or the statement was a violation of the work place violence

policy which is set out in Government's Exhibit 1. It was frankly a stupid and

irresponsible statement to make. But as stated previously the government has failed

to sustain its burden of proof in this case. And therefore, based on the foregoing the

Court finds and adjudges the Defendant Robert Abad not guilty of the offense charged

in the information filed on July 15, 2002. All right.

Attorney for Abad:

Thank you your Honor.
